# Task Network Diagram

Task Network Diagram showing tasks from SPRINT 2 END to SPRINT 3 END.

- SPRINT 2 END — 0
- Task 18, 0.5 hrs — 0.5
  - Task 27, 3 hrs — 3.5
  - Task 26, 3 hr — 3.5
  - Task 23, 4 hr — 4.5
- Task 21, 6 hrs — 6
  - Task 22, 3 hrs — 9
  - Task 19, 3 hrs — 9
- Task 25, 3 hr — 3
  - Task 24, 4 hrs — 7
  - Task 20, 2 hrs — 5
- Task 28, 3 hrs — 3
- SPRINT 3 END

CRITICAL PATH
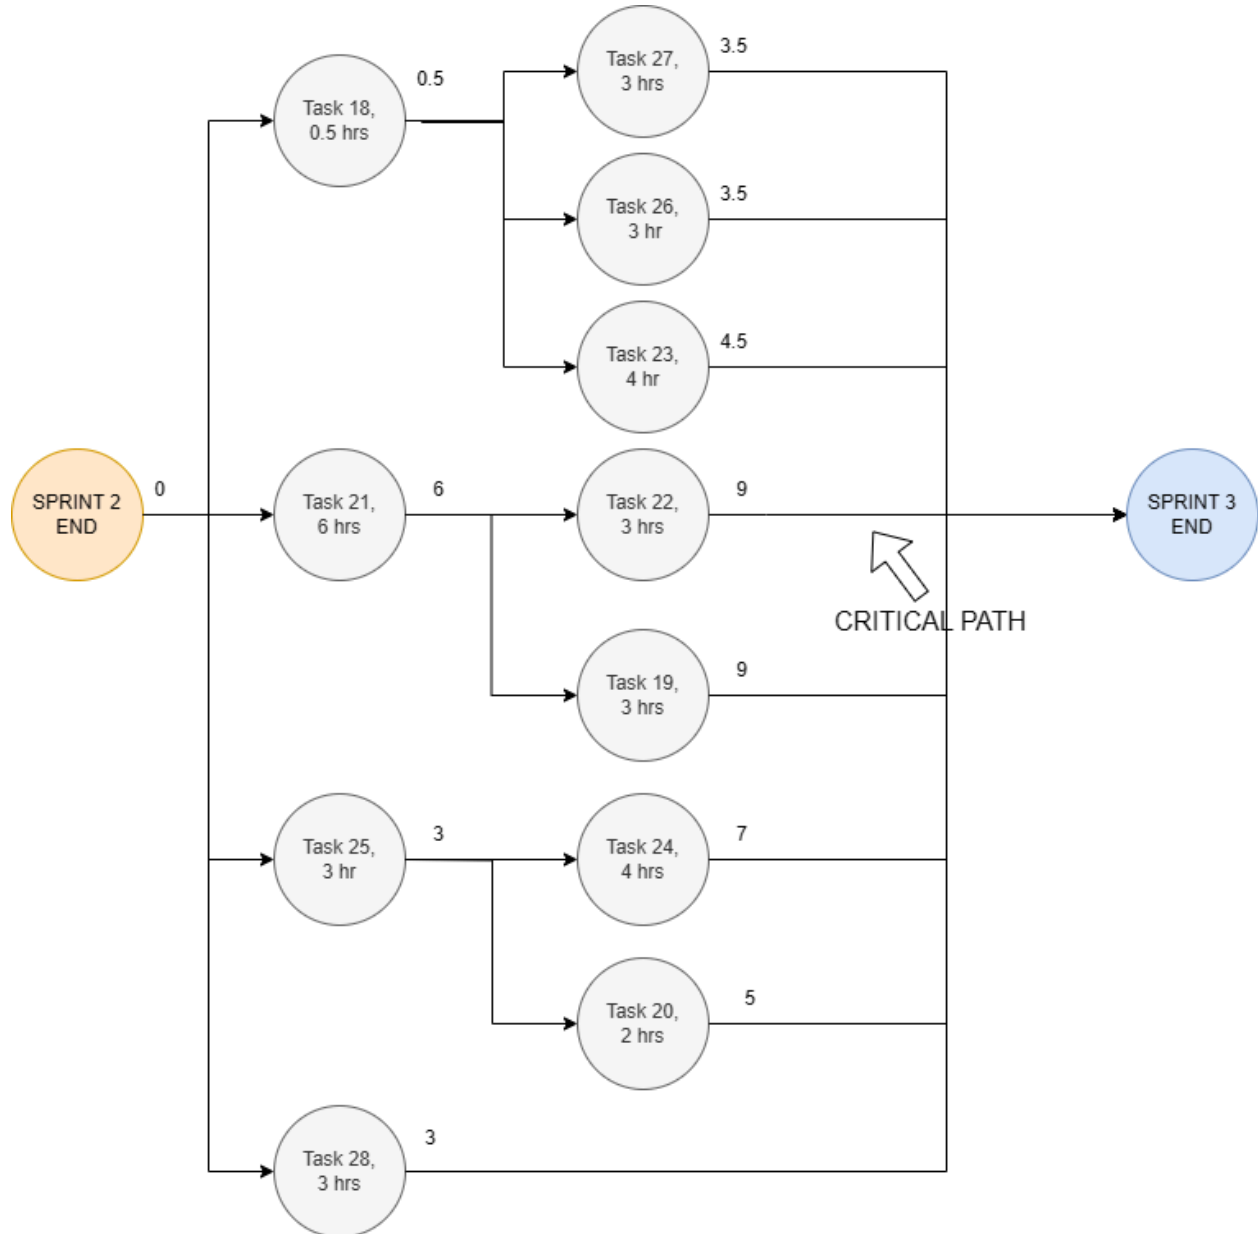

# Notes

To keep the sprint on schedule, we once again split up the tasks between ourselves to share the workload. We also maintained regular communication with each other via Discord channel messages and standups so that we had an idea of where everyone was at in their work; we provided assistance to each other when needed.
